

Use Your ONE VOICE to Teach: Time To Teach will Eliminate Repeated Warnings and Multiple Requests, Increase Academics – Decrease Discipline Challenges, Gain Parent Support and Empower Educators

Presented by: Michelle Hughes, Center For Teacher Effectiveness, www.timetoteach-mhughes.com

Educators on average are losing 5-9 hours a week on lower-level discipline challenges. Low-level disruptions are stealing precious instruction time. Academics and discipline go hand in hand. You can be the best content instructor, but without the ability to control the classroom the best lessons remain undelivered. Participants will learn how to avoid the "debate bait"—how to eliminate warnings and multiple requests. Participants will learn how to increase academics, decrease discipline challenges, gain parent support, and empower all educators. Participants will be encouraged and challenged to implement strategies and techniques that will change the classroom and campus climate immediately. Educators have reported a 70 percent and more success rate in reducing discipline using these techniques and strategies.
