The Institute of Elemental Ethics and Education invites you to submit proposal(s) to present at the One Voice International Educational Conferences to be held in four distinctive locations during 2009.

The One Voice International Educational Conference offers a forum for an exciting and energizing exchange of ideas on research, best practices, developments, and visions in the field of ethics and education and an exploration into practical solutions for nagging issues. The conference theme, "One Voice," is based on the philosophy that educators, not politicians or those who finance them have the answers to problems that plague educational systems. By uniting educators and documenting their recommendations and suggested solutions, and amplifying their united voice, The Institute of Elemental Ethics and Education is working to facilitate positive change. You are invited to share your work with your peers, and add your voice to theirs, and become part of the solution.

Selection Criteria: The One Voice Conference Paper Review Committee will conduct a peer review of the content of your proposal for relevance to the conference theme, clarity, originality, and timeliness.
